<tr>
<td>December</td>
<td>Annual End of year meeting</td>
<td>Yes-open</td>
<td>Maggiano’s Oak Brook</td>
</tr>
</tbody>
</table>

**CIC Certification partnership with CDPH**

CIC Cert/Recert: partner with CDPH, waiting for funding; Mary Alice will reach out to the Special Projects team to see how much a cert/recert class would cost should CDPH not cover the cost. We would just need content experts for the day of the training.

### Agenda Item

**Chase Bank Update**

Chase Bank: Issues switching Diane from treasurer to Mia; APIC is not registered as doing business in Illinois, so they are pushing back with the transition. Hopefully rectified soon—we reached out to national for help on how to handle this and how to file to do business in Illinois.
### Development of Philanthropy Subcommittee

Philanthropic/Charitable Subcommittee: Mia will head; look for member involvement; Mia will send out an email; we put $1k aside for giving back to the community; possibly giving flu shots, helping the homeless, etc.

### Asif Sayied

- **Feedback from February event**
  Feedback from Feb hand hygiene event: personal discussion with the members present was positive; local IPs sharing their own experience—very valuable; started with a capacity of 45, sold out 2 times and had to increase to 115 total registrations.

- **April meeting dates**
  Asif has the presentations for the April meeting and will send to board for review to make sure no brand associations are present. A needs assessment will be sent prior to the April meeting to establish goals. October Education Event 10/25-10/26: historically it has been a single ay event. We are considering a 1.5 day event for more education and more opportunities for networking with vendors and peers. Would like to add a cert/recert class for 1 day for those on the cert track with and evening reception.

- **October Education Meeting**
  Certification class on day 1/board meeting, evening reception, day 2 normal vendor education. Asif will contact the Hyatt Lodge—McDonald University; lodging is available.

### Mia Cuttitta

- **Treasurer Update**
  Mia reached out to the financial advisor who will come to a board meeting to help with an investment opportunity.

### Lisa Sanders

- **Membership Update**
  232 members as of end of February; many non-members in our area; looking to create a sheet describing the benefits of APIC Chicago to send out to non-members to encourage joining our group.

  Lisa will also send out a survey to our members to inquire who is going to APIC National, if they would be interested in attending an APIC Chicago event on 6/13/18, and if they are a first time attendee.

### Barbara Ruber

- **Bylaws Update**
  Bylaws update: approval date for the bylaws added for November 2017; no longer have to sign off unless there are changes. Nothing to review this year so far. All job descriptions were reviewed at last board meeting.

- **Legislative Update**
  Legislative update: bill up for IL that has to do with allowing medically important abx to be administered to animals for consumption if vet says they are necessary. APIC does have a number of other bills—can look up on the APIC legislative website and put in your address/zip code and it will give you your senators and allow you to send emails to you representatives. Would like to add a legislative tab to the APIC Chicago website; Lisa will send an email to Asra to update website.
APIC national is looking at universal certification in New York; looking at branding; APIC national had an article in January (awaiting article from Mary Alice—will add link to minutes)

**Diane Cullen**

- **New Business**

  Chapter handbook: Linda is almost finished with it—a historical progression over time; similar to a legacy book; any legacy members that might be able to contribute?

  Discussed having a stronger APIC Chicago at national. Shirts “Bring APIC to Chicago” in a gift bag with chocolates for our members that attend; in the past they haven’t hosted because of unions and not enough beds (hotels); we can possibly make a formal request combined with Central Illinois chapter. Linda will reach out to the past president of Central to see if they are interested; propose McCormick Place and Navy Pier. Mary Alice will find out who the contact is for the Chicago Convention Center. Diane will talk to Crystal Moon from National APIC about how to move forward.

  Spam emails: Phishing emails have been received between board members. Issue reported to starchapter. Safeguards in place: we do not respond to email requests for any distribution of funds

**Adjournment**

1833

Respectfully Submitted: Lisa Sanders, 3/26/18
